*** Important Information for CANADIAN and INTERNATIONAL Customers.**

All shipments to Canada are via Mail "Priority" Service to prevent brokerage fee from UPS and FedEx at time of delivery.
 Please see Special Information at this [link](#) (click [here](#) for details).

Customs, import duties, taxes, and brokerage fees are not included in the item price or shipping charges. These charges are the buyer's responsibility. These charges are collected by the shipping company when your product is delivered – do not confuse them for additional shipping charges.

Brokerage Fees may be as much as 15-20% of your purchase price. If your school or business has a brokerage service, please provide their name and telephone number. *We ship via UPS if you use a brokerage service.*

If you refuse delivery of the order, you will still be responsible for shipping costs to/from your location, plus any other fees assessed by the shipper. No exceptions!

Please check with your country's customs office to determine what these additional costs will be prior to ordering.
